

# Devon Strong

May 13th – May 17th

## Date      Things Completed

- |           |  |
|-----------|--|
| Monday    | <ul style="list-style-type: none"><li>Absent, stayed home to speak to British Grandmother</li></ul>  |
| Tuesday   | <ul style="list-style-type: none"><li>Was in the Theater Today, played with setting up a “Red-Out”, the people at Dramafest were horrified by our regular Blackouts but we lack Blue Gel, but Farmers make do</li></ul>  |
| Wednesday | <ul style="list-style-type: none"><li>Tech-Booth was locked today and I couldn’t get the keys, so I stood on a chair and set up a spreadsheet just organizing what lights were connected to what for future reference for other people</li></ul>   |
| Thursday  | <ul style="list-style-type: none"><li>Was in the Theater Again, Spent the First half of the period in Guidance though, dealing with some Scholarship stuff, getting it printed off and submitted, then spent the other half I think figuring out how to replace the light-bulb in the Long-Lights, not sure the technical name of them</li></ul> |
| Friday    | <ul style="list-style-type: none"><li>I think that I might’ve been in the Tech-Booth Today, or in the Closet, either way the closet is now organized by this point and Frank fits in</li></ul>   |

## Summary / Highlights

Note, I’m 90% Sure that the dates of when I did what above are completely garbled, I know that those things happened, just not sure when

- Set up Red-Out
- Organized Lighting information into a much more understandable form than a little note with my poorly written numbers.
